## CONSENT FOR EMERGENCY TREATMENT

In case of emergency and in the event reasonable attempts to contact me have been unsuccessful, I give my permission to provide any medical treatment, care, or attention that is required. This authorization does not cover major surgery, unless the medical opinions of two licensed physicians or dentists, concurring on the necessity for such surgery, are obtained before surgery is performed.

## Special Considerations

Is there any information about your child that you would like to share with us? Does your child take daily medication? Are there allergies we should know about? Are there physical/emotional considerations? Does your child receive accommodations at their regular school? Would your child benefit from small-group catechesis rather than placement in the usual PSR classroom? What can we do to help your child in our program?
